DOD: 08/05/10		JOANNE LAMBRECHT , Conservator, is Petitioner.	NEEDS/PROBLEMS/COMMENTS: CONTINUED TO 01/24/12 Per request of Counsel 1. The Petition states that the conservator paid attorney's fees to three law firms without prior court approval. According to the accounting, the conservator paid a total of \$116,161.20 in attorney's fees for representation in Ranch Litigation, Ranch Sale, and an auto accident. The accounting also shows that \$410,000.00 in settlements were paid from the conservatorship estate. The Court may require more information. 2. There are two disbursements under caregiver's expense to Citi Card in the combined amount of \$5,325.04 with no explanation as to what the charges were for. Need more information pursuant to Probate Code § 1064. 3. The accounting reflects several cash withdrawals (totaling several thousand dollars) by Joanne Lambrecht without explanation. Need more information pursuant to Probate Code § 1064. 4. The Petitioner requests to discharge the conservator's bond, however, the bond may only be discharged upon approval of an Ex Parte Petition for Final Discharge and Order which has not been filed in this matter. 5. The Petition accounting reflects several \$500.00 monthly payments to Gwen Lee Cedar and Watershed, Inc. for personal manager services. Need more information pursuant to Probate Code § 1064. 6. The Petition states that the petitioner hired the law firm of Wilkins, Drolshagen & Czesinski of which her grandson, Quentin Cedar, is an associate and states that there were no other family or affiliate relationships during the accounting period. However, the account shows several disbursements to Gwen Lee Cedar for personal manager services. It is unclear whether Quentin Cedar & Gwen Lee Cedar are related. Court may require more information.

Note: A court order authorizing a substituted judgment to create and fund a revocable trust and execute a pour-over will on behalf of conservatee, was granted 8/28/08 by Judge Quaschnick. Petitioner states on or about 10/30/08 she transferred all the real property of the conservatorship to the trust by grant deeds.

NEEDS/PROBLEMS/COMMENTS (Continued) (Page 2 of 3):

1. Inventory and Appraisal filed 3-23-10 and Amended I&A filed 9-13-11 appear to contain items appraised by Petitioner on Attachment 1 that should have been appraised by Probate Referee on Attachment 2 per Probate Code §8901:

- Warrant dated 11-15-06 valued at \$13,618.19
- Warrant dated 5-21-07 valued at \$232.61
- Warrant dated 7-3-07 valued at \$18.41

Note: Descriptions of warrants state: "paid to Roli Elsotari (per Order of Fresno County Superior Court, sustained on appeal, this asset belongs to estate)."

Note: Petition addresses the warrants at #3 and #5, as judgments and states interest is accruing and Petitioner plans to levy Ms. Elsotari's wages to enforce the judgment.

Declaration filed 9-13-11 states the warrants were properly inventoried. At the time of his death, these warrants represented wages and vacation compensation owed to Decedent. They were paid to Roli Elsotari pursuant to a beneficiary designation, and Petitioner sought judicial relief for an order that she be required to pay those monies back to the estate.

Examiner notes that items such as debts and notes payable are typically appraised by the Probate Referee. If, at the time of death, these items were not warrants, but wages, they should be listed appropriately in whatever form or character they were at the date of death. If they later became debts owed to the estate via judgment or warrant, that is not an inventory item. However, for purposes of continuing this review, this explanation is accepted by Examiner.

2. Inventory and Appraisal filed 3-23-10 includes "TD Ameritrade Investment Account" valued at \$108,013.63 by Administrator on Attachment 1. Petition states this is a money market account, which means that appraisal on Attachment 1 is appropriate per Probate Code §8901(d); however, the Petition further states that Decedent had "shorted" a number of stocks against this account and Administrator repaid the loan by purchasing the stocks that had been shorted by Decedent and selling them the same day at a gain of \$29,394.36. The court may require further information regarding whether appraisal of this item as a cash asset (including loan and repayment) is appropriate or whether the loan within the asset warrants appraisal by Probate Referee.

Note: Minute Order 4-28-11 states Atty Rindlisbacher represents the account was properly accounted for; however, the minute order does not reflect action by the court on the representation. The item remains noted.

Declaration filed 9-13-11 states the item is properly appraised on Attachment 1.

Note: Petition states Bank of America was paid \$37,000.00; however, no Allowance or Satisfaction has been filed.

Note: Petition states Bank of America claim for \$311.50 is still pending.

Note: Declaration filed 8-18-11 provides a letter from Bank of America indicating settlement and receipt of \$37,000.00; however, the account number referenced on the letter does not match the account number referenced on either B of A creditor's claim. Need clarification.

Declaration filed 9-13-11 states Petitioner is researching to find out why the account numbers don't match, and the smaller claim is still pending.

As of 11-21-11, nothing further has been filed.

4. Petition appears to use net figures instead of gross figures for calculation of gains and losses (vehicles, personal property). This affects the balance of the account.

Declaration filed 9-13-11 states Petitioner is correcting the accounting to use gross figures and will be filing an amended and corrected account.

As of 11-21-11, nothing further has been filed.

5. Petition states the Guaranty Bank balance was transferred to the California State Controller's Office and Petitioner is submitting paperwork to collect this amount. Court may require additional information.

Declaration filed 9-13-11 states this item is pending. Petitioner was recently notified that there may be another asset that was previously unknown that may be a part of the estate.

	Citation	Regarding Extraordinary Fees: Objector believes an extraordinary fee of \$1,315.00 is all that the court should consider for approval. Objector states that Petitioner's letters to account holders may have put them on notice, but did not prevent them from paying monies out to other named beneficiaries, which have not yet been recovered from the estate. No legal action was initiated by Petitioner to obtain a court order related to these accounts. Attorney McCloskey's declaration "too generously assumes" that the mere fact of sending letters was somehow the basis of the court's ultimate ruling that the certain accounts belonged to the estate. Attorney McCloskey assumes that the estate was benefited in the amount of \$195,520.00. There has been no gain to the estate.

Regarding Statutory Fees: Objector provides a calculation for the fee base for statutory compensation totaling \$5,944.34 and states this amount should be allocated according to services actually provided. Petitioner requests 27% of the assumed statutory fee he used in his petition. 27% of the actual statutory compensation would be \$1,604.97. **Objector and her counsel would have no objection to allocating 40% of the actual statutory fee to Petitioner in the amount of \$2,377.74.**

- The State of CA, Department of Health Care Services (DHS) asserted a claim [*in ~2009*] against the **MARY LOU RIVERA IRREVOCABLE TRUST dated 12/19/2007**, and this Court's *Order Approving Amended First and Final Account and Report of Trustee and Petition for Full and Final Distribution of Trust Assets on Hand* signed 11/10/2010 [by Judge Kazanjian] in that case ordered the DHS to be paid by the Trust in the sum of **\$123,250.16 plus interest** [totaling **\$123,255.96**] against the total DHS claim of **\$304,344.82**; (*please refer to Exhibits A through C attached*);
- As a result of the partial payment of the DHS claim, a balance in the sum of **\$181,088.[86]** remains unpaid to the State of DHS; however, Petitioner asserts that no monies whatsoever should be paid to the DHS from the assets of Decedent's estate because the DHS has failed to comply with the requirements of Probate Code § 9100 et seq., pursuant to which the DHS had a limited period to file a creditor's claim of four months from the date *Letters* were issued or 60 days after date of mailing the *Notice to Creditor*, which was served in the case on 12/17/2009 such that 4/2/2010 was the expiration date of this limited period; pursuant to Probate Code § 9002, any claim against the Decedent's estate is barred in the event that a timely creditor's claim is not filed, and because the DHS did not file a creditor's claim as required, no monies should be paid to the DHS from Decedent's estate;
- In the alternative, if the Court determines that the DHS still has a viable claim against Decedent's estate, the full amount of the claim should be limited to **\$181,088.[86]**, in the form of partial cash payment and an assignment of annuity payments (58 payments @ **\$2,461.50** each, totaling **\$142,767.00**) to the DHS (*please refer to Lines 21 through 28 on Page 3 and Lines 1 through 18 on Page 4 of Petition for calculations*).

Petitioner requests Decedent's estate be distributed 100% to the Petitioner John Hernandez pursuant to Decedent's Will.

NEEDS/PROBLEMS/COMMENTS, continued:

1. *Order Approving Amended First and Final Account and Report of Trustee and Petition for Full and Final Distribution of Trust Assets on Hand* signed on 11/10/2010 finds in Paragraph 17 that "to the extent that the claim of the California Department of Health Services is not satisfied in full by the distribution of the trust assets on hand, the California Department of Health Services will obtain payment from the separate Estate of Mary Lou Rivera, Deceased, which is now subject to pending probate administration in the matter of the Estate of MaryLou Rivera aka Mary Lou Rivera, bearing Fresno County Superior Court Case No. 09CEPR00851" [*emphasis added*]. Further, the Court's 11/10/2010 *Order* states at Lines 8 through 9 on Page 9 that "the interests of the California Department of Health Services are fully protected," and per the *Notice of Hearing* filed on 7/14/2010 the Department of Health Care Services was sent notice by mail on 7/13/2010 with a copy of the *First and Final Account of the Trustee* containing the information regarding payment of the remaining balance of the claim to DHS. It appears based upon the Court's 11/10/2010 *Order* and the other facts involved that payment to the DHS is expected as ordered, and that no alternative is available for distributing the entire estate to Petitioner without first satisfying the DHS claim. It appears that because the Court's 11/10/2010 *Order* created an expectation on the part of DHS for payment of the balance due on the claim from the specific estate case, the *Order* obviated the need for the DHS to have filed a formal creditor's claim in the estate case within the deadline as alleged by the Petitioner.

Note: Two proposed orders have been submitted: one that distributes partially to the DHS and to partially to the Petitioner, and one that distributes the entire estate to the Petitioner.

Supplemental Brief in Support of Petition for full and Final Distribution Concerning the Failure of the Department of Health Care Services to Comply with Requirements of Probate Code § 9100, et seq. filed on 10/27/2011 states:

- Upon the death of Decedent, as required by the terms of the special needs trust and applicable law, the Trustee provided written notice of death to the CA Department of Health (DHS) and made the necessary arrangements to transfer the remaining assets of the special needs trust to DHS as partial reimbursement of the total MediCal benefits paid to Decedent during her lifetime;
- Part of those arrangements included the filing of a Petition (Case #10CEPR00595) to obtain court approval of a required trust accounting and to obtain court determination of the full amount of the allowed DHS reimbursement claim; the Court determined the amount owed DHS was **\$304,344.82**; however, the trust assets on hand after payment of allowed costs of trust administration totaled **\$123,250.16**, leaving the remaining unpaid sum of **\$181,094.66**;
- *Order Approving Amended First Account, etc.*, signed on 11/10/2010 directs transfer of **\$123,250.16** from the irrevocable trust to DHS;
- Under proper circumstances, the remaining unpaid amount of **\$181,094.66** could be paid from the separate Estate of Marylou Rivera, which is subject to court administration in the case; however, DHS never filed the required Creditor's Claim in the proceeding, despite the fact that Petitioner served DHS with a Notice to Creditors on 12/17/2009, specifically advising DHS of its obligation to file a Creditor's Claim;
- On 8/11/[2011], the Petitioner served DHS with both Notice of Hearing and a complete copy of the Petition for full and final distribution in this action; the Petition explicitly alleged that DHS was given a proper form of Notice to Creditors, that it failed to file a timely Creditor's Claim and that it was therefore barred from any reimbursement recovery against this estate;
- DHS did not object or otherwise respond to the Petition; DHS was quite aware of the requirement to file a timely Creditor's Claim because it sent a formal ex parte inquiry to the Court as part of an in-house investigation in this matter to determine why a Creditor's Claim had not been filed; at the time of the initial hearing on the Petition for Final Distribution on 9/14/2011, the Court [Judge Oliver] indicated from the bench that DHS in fact mailed to the Court some sort of inquiry for the purpose of investigating the failure of its staff to file a Creditor's Claim; Petitioner was not provided a copy of this reported inquiry;
- DHS was not excused from the requirement of filing a property Creditor's Claim; DHS never filed any objection to the Petition for full and final distribution and DHS never argued that it was somehow excused from the requirement of filing a Creditor's Claim; the Court's Probate Examiner unilaterally advocates on behalf of DHS and contends the 11/10/2010 Order in the separate Case #10CEPR00595 excused DHS from filing a Creditor's Claim in this separate Case #09CEPR00851; a careful review of the following circumstances compels the conclusion that the 11/10/2010 Order in the separate action did not excuse or waive the requirement of filing a Creditor's Claim in this action;
 1. The 11/10/2011 Order was the result of an *Amended First and Final Account and Report of Trustee, etc.*, filed by the Trustee of a special needs trust; the Petition's prayer for relief (at Page 9) did not request any orders whatsoever concerning the administration of the separate Estate of Marylou Rivera; the Trustee of the special needs trust did not request any orders excusing the filing of a Creditor's Claim in this separate action.
 2. The specific disposition orders and relief provided by the Court in the 11/10/2010 Order mirror the prayer for relief in the underlying Petition and are limited to the administration of the assets of the irrevocable trust; there is no order which waives the requirement of the filing of a Creditor's Claim.

~Please see additional page~

Supplemental Brief in Support of Petition filed 10/27/2011, continued:

3. The references in the [11/10/2010] Order to the availability of the assets of the Estate of MaryLou Rivera to pay any remaining portions of the DHS recovery claim do not constitute dispositive orders which affirmatively waive the requirement of the filing of a Creditor's Claim by DHS, but rather are descriptive in nature and only provide relevant background information;
 - **Paragraph 17** of the Order states: "To the extent that the claim of the California Department of Health Services is not satisfied in full by the distribution of the trust assets on hand, the California Department of Health Services will obtain payment from the separate Estate of Mary Lou Rivera, Deceased, which is now subject to pending probate administration in the matter of the Estate of Mary Lou Rivera, bearing Fresno County Superior Court Case No. 09CEPR00851."
 - **Paragraph 19** of the Order states: "The then unsatisfied portion of the claim will be paid from the assets on hand in the separate Estate of Mary Lou Rivera, Deceased, now under court directed probate administration. The assets of the Estate of Mary Lou Rivera, Deceased, as set forth herein, are more than adequate to satisfy the remaining amount of the claim."
 - **Paragraph 20** of the Order states: "...the claim of the California Department of Health Services will be paid in full, by a combination of payments from the remaining Trust assets and from the separate Estate of Mary Lou Rivera, Deceased, now under court supervision and administration. Therefore, the interests of the California Department of Health Services are fully protected."

These particular portions of the Court order are simply a verbatim repetition of the allegations contained in Paragraph 17, Paragraph 19, and Paragraph 20 of the underlying Petition. The underlying Petition includes these same Paragraphs under the heading "Additional Considerations." The underlying Petition did not request any orders whatsoever concerning the administration of the assets of the Estate of Mary Lou Rivera. The only reasonable reading of Paragraphs 17, 19 and 20 of the 11/10/2010 Order is that they constitute statements of fact and background information, lifted from the "Additional Considerations" of the underlying Petition. The assets of the Estate of Mary Lou Rivera were in fact available to DHS to satisfy any remaining unpaid portion of the recovery claim, provided that DHS complied with the Probate Code in making a claim against the estate assets. The dispositive portion of the 11/10/2010 Order contained on Pages 9 and 10, does not order the Administrator of the Estate of Mary Lou Rivera to make any distribution to DHS and does not expressly or impliedly excuse DHS from the requirement of filing a Creditor's Claim.

4. Petitioner never understood or accepted the 11/10/2010 Order in Case No. 10CEPR00595 as an order excusing DHS from the requirement of filing a timely Creditor's Claim in this Case No. 09CEPR00851. After the 11/10/2010 Order, and on 12/17/2010, Petitioner served a Notice to Creditors on DHS, affirmatively advising DHS of its obligation to file a timely Creditor's Claim. There was no need to serve this Notice to Creditors if DHS had been excused already from the requirement of filing a Creditor's Claim.
5. DHS obviously never understood the 11/10/2010 Order to excuse the normal requirement of filing a Creditor's Claim in the proceeding. Otherwise, DHS would have filed a timely objection and response to the Petition for full and final distribution and relied on the Order.
- The 11/10/2010 Order in separate Case No. 10CEPR00595 was not intended to make any distribution or any ruling whatsoever concerning the assets of the Estate of Mary Lou Rivera which are the focus of this Case No. 09CEPR00851; there is no basis for concluding that the parties or the Court understood the 11/10/2010 Order to excuse the filing of a Creditor's Claim in this proceeding or to mandate payment to DHS of any amounts whatsoever from the Estate of Mary Lou Rivera, Deceased; Paragraphs 17, 19 and 20 of the Order are simply a statement of underlying facts; they are lifted verbatim from the underlying Petition which set them forth simply as "Additional Considerations." They were not included in the Prayer for Relief in the underlying Petition and they are not included in the dispositive portion of the 11/10/2010 Order;

~Please see additional page~

Supplemental Brief in Support of Petition, continued:

- This Court cannot conclude, based on the circumstances presented herein, that the Court in separate Case No. 10CEPR00595, which concerned only the Mary Lou Rivera Irrevocable Trust Dated 12/19/2007, went beyond the confines of its jurisdiction and issued any effective orders whatsoever concerning the separate Estate of Mary Lou Rivera, Deceased, which is the concern of this separate Case No. 09CEPR00851;
- For the foregoing reasons, and for the reasons set forth in the initial Petition, Petitioner respectfully requests that the Court issue its Order disallowing recovery by DHS.

Sp.Ntc.	Petitioner states that proposed conservatee resides at Nazareth House, and was reportedly diagnosed with dementia in December 2010. Petitioner learned of proposed conservatee through Hinds Hospice in June 2011, as there was concern about her failing health and her daughter RuthAnn's management of the finances and interference with her care (proposed conservatee's husband also resided at Nazareth House prior to his death on 7/8/11). Petitioner's son lives out of state. Through its investigation, Petitioner has determined that proposed conservatee's money had been moved or withdrawn from several bank accounts just before and after her husband's death, and that conservatee's daughter RuthAnn had access to all those accounts. Furthermore, RuthAnn attempted to have her mother sign a power of attorney while at Nazareth House; despite being advised that her mother did not have the capacity to sign such documents, RuthAnn provided Cititbank with a power of attorney executed 8/20/11. RuthAnn currently lives in proposed conservatee's home and claims all of the furniture belongs to her. Petitioner seeks appointment as conservator to make medical decisions and ensure conservatee's continued proper care, and to also marshal conservatee's assets and use them for her care, including an overdue bill from the Nazareth House (RuthAnn has not been paying for proposed conservatee's care). <u>Petitioner also seeks appointment as successor trustee of the Manuel and Selina Pasillas Revocable Trust, dated 8/23/10, and that the Court revoke any and all powers of attorney, whether for healthcare or for finances.</u>

Petitioner states she filed a claim for reimbursement with the State Bar (copy dated 7-12-11 attached). <u>The Court may require status on the claim and follow-up before closing the estate.</u> 2. Need Notice of Hearing for this amended petition and proof of service at least 15 days prior to the hearing on all interested parties (including creditors) per Probate Code 11000: - Patricia Ciano (Daughter) - Johanna Wolfe (Daughter) - Susan Ciano Rodgers (Daughter) - Citibank/Sears (Creditor) - Capital One (Creditor) - West Asset Management (Creditor) - Bank of America FIA Card Svcs (Creditor) - St. Agnes Medical Center (Creditor) 3. Need Allowance or Rejection of Creditor's Claim (Mandatory Judicial Council Form DE-174) served and filed on each creditor that filed a claim per Probate Code §9250. <u>Note:</u> Petitioner alleges that the Bank of America debt has been cancelled per a 1099, and that the St. Agnes claim has been paid; however, because Creditor's Claims were filed and have not been withdrawn by the creditors, they must be addressed via mandatory Allowance/ Rejection form and included in the allocation of debt in the event of recovery. (1) First and Final Account and Report of Administrator and (2) Petition for Its Settlement for Final Distribution

NEEDS/PROBLEMS/COMMENTS (Continued):

4. The accounting does not balance and does not contain the required schedules per Probate Code §1060.
 - The Summary states the I&A amount was \$93,000.00. This is not correct. (That was the sale price of the house.) The Final Inventory and Appraisal filed 10-14-08 reflects that the house was valued at \$120,000.00 as of the Decedent's date of death.
 - Petitioner states there were \$1,524.11 in *receipts*; however, this appears to be the amount of *disbursements*.
 - Petitioner indicates both a "gain" and a "loss" on the sale of the house. This is not correct. If the original inventory value was \$120,000.00 and the house sold for \$93,000.00, then the loss is \$27,000.00.

The Court may require clarification or amendment.
5. Petitioner states the St. Agnes creditor's claim (\$315.01) was paid. This payments appear to be in violation of Probate Code §11420(b) (proportionate payment of debts).
6. Petitioner states the estate is insolvent, and any property not now known or discovered should be distributed to the remaining creditors until paid in full.

The Order should clarify that the debts shall be paid proportionately pursuant to Probate Code §11420(b) after administration expenses have been reimbursed (\$2,098.74 requested).
7. Need Order. The Order must be in compliance with Local Rule 7.6.1 and #7 above.
